In 2015, the LFKL purchased **8 000 sqm** of a former rubber plantation to build a newly established primary school. Soon, the Hévéa kindergarten will officially be open and accommodate **250 children** in a spacious, safe, interactive and green environment.

Hévéa, a school adapted to your children's development and comfort

- Hévéa offers a **multilingual school environment**.
- An early **English Learning Program** starting from the age of 3.
- Each lesson is taught by qualified French Primary School teachers attached to the Ministry of National Education and professional English native-speaking teachers.
- The school has facilities that include a swimming pool, a library, a multi-purpose hall and a spacious canteen.
- Activity rooms are provided for curricular physical education and napping rooms for toddlers.

The French School of Kuala Lumpur (LFKL) part of an international network

- The school gathers **600 students from 38 different nationalities**.
- The LFKL is part of the AEFÉ, a global **network of 500 schools around the world**.
- It has a unique shared curriculum for all French schools abroad.
- The LFKL can boast outstanding results at the French National examinations (Baccalaureate and DNB) with a high percentage of graduation with honours.
